RE: Morgansites letter of recommendation

January 22, 2025

Dear Lyndsey,

I highly recommend Morgansites as a photo and video content provider for the Downtown Excelsior Partnership. I've worked closely with them for decades and can attest to their exceptional professionalism, creativity, and dedication.

Morgansites manages the Chamber's website design and maintenance with precision and care. They understand our organization's goals and brand identity, ensuring our online presence reflects Excelsior Springs' vibrant spirit.

They oversee our social media platforms, producing engaging content that connects us with our members and the community. Their professional video and photography captures the essence of our events, from Waterfest and Irish Fest to our monthly luncheons and ribbon-cutting ceremonies.

As lifelong residents, the Morgans and the Coles have an intimate understanding of our community's culture, history, and unique character. This local advantage enables them to craft content that resonates deeply with our audience and authentically represents our city.

Morgansites' proven track record, dedication to quality, and community-focused approach make them an ideal choice. Their long-standing relationship with the Chamber has promoted and elevated our initiatives, and I'm confident they'll bring the same level of excellence to your organization.

Sincerely,

CHAMBER PRESIDENT
